HOW TO REGISTER IN MINUTES BEFORE YOU FEEL SICK

Using LiveHealth Online, you can have a private and secure video visit with a board-certified doctor or licensed therapist on your smartphone, tablet, or computer with a webcam. It's an easy way to get the care you need at home or on the go.

When your own doctor isn't available, use LiveHealth Online24/7 if you have pinkeye, a cold, the flu, a fever, allergies, a sinus infection or other common health conditions. A doctor can assess your condition, provide a treatment plan, and even send a prescription to your pharmacy, if needed.

If you're feeling anxious or having trouble coping on your own and need some support, you can have a video visit with a therapist using **LiveHealth Online**. Make an appointment in four days or less at [LiveHealthOnline.com](https://www.LiveHealthOnline.com) or on the phone at 1-888-548-3432 from 7 AM to 7 PM, seven days a week. Evening and weekend appointments are available. You can get help for anxiety, depression, grief, panic attacks, and more.
