## Shipt Team Member Testimonials

**As a family-focused organization, we encourage each of our team members to enjoy making memories with their families. Let us support you in those moments when being present for life events and milestones are a priority.**

### **Chris Alexander, Senior VP of Industrial Development**

"My wife used this today...she said, "it was a wonderful experience"! She's a tough customer, so kudos!"

### **Amanda Dye, Controller - Residential**

"Just wanted to share I completed my first Shipt order last night, and it delivered first thing this morning! It was a wonderful experience. I'll be in San Diego for a work conference next week, and I started to panic while trying to get things in order before leaving while still spending time with the kids tomorrow. This was so convenient and such an awesome benefit. Thanks so much for caring about our team and identifying how to continue to increase fringe benefits, making TT an awesome place to work."

### **Lisa Branner, Assistant Community Manager, The Crossings**

"My brother is terminally ill (brain cancer), my sister-in-law carries the weight of the family-taking care of him, their 2 kids, working, and taking care of the house. On Sunday he called me and said she was really struggling with their baby starting kindergarten and the fact that the car broke down on her way to the grocery store. While speaking with my sister-in-law I took some notes...a grocery list if you will..... Sunday at 10:15pm I ordered milk, waffles, fruit, donuts, coffee creamer, juice, and some pencils- at 8am (next day) on the 1st day of kindergarten my sister-in-law was startled by a knock at the door- it was a Shipt delivery! The kids had a yummy breakfast, my sister-in-law got her coffee fix, and my brother had a happy wife! So thank you to TT for the Shipt membership and making it possible to help out my brother, sister-in law, niece, and nephew!"
