Education Assistance Policy

Team members have the option to continue their education in an area that is mutually beneficial for both Thompson Thrift and the team member. Payment would be for tuition and books. Approval for this benefit is contingent on department budget as well as approval by the Executive team.

Team member must complete the Education Assistance Application, as well as review and sign off on the Education Assistance Policy.

To submit for reimbursements, the Education Expense Report must be completed and approved prior to submitting to Accounting.
